About Georgia's Career Pipeline

The Georgia Career Pipeline web site is provided to help Georgia businesses see the availability of young, talented students in a specific Georgia county, zip code, or Economic Development region of the state that possess a type of service or technical skill, and help businesses make important decisions concerning growth, development, and workforce needs.

Explore Future Workforce

Students are considered to be within Georgia's Career Pipeline when they have enrolled in a Career, Technical, and Agricultural Education (CTAE) pathway course at a Georgia Public School. Search for students in Georgia's Career Pipeline by either clicking the "Explore Future Workforce" button on the home page, or by clicking on the "Explore Future Workforce" menu link at the top of the screen.

About Georgia's Career Pipeline

Georgia's Department of Education Career, Technical, and Agricultural Education (CTAE) is preparing Georgia's students for their next step after high school—college, the military, or beginning a career. CTAE offers students more than 130 career pathways within 17 Career Clusters.

Georgia's Career Pipeline is provided to help Georgia businesses see the availability of young talent in a search area for a type of service or technical skill, and help businesses make important decisions concerning growth, development, and workforce needs.

Searching for Students

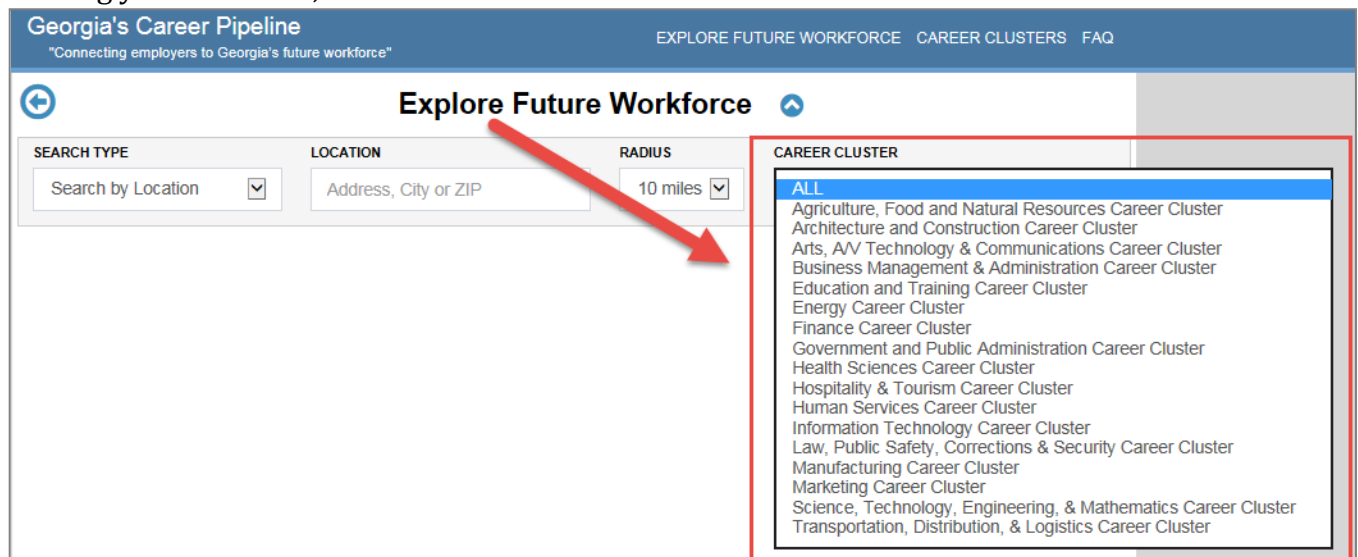

Search Type

Within the "Search Type" box, you may search for students by Location, by County/School District, by Economic Region, or by the entire state. If you select Location, you will also need to enter an address, city, or zip code and a radius to search within.

Career Cluster

Within the "Career Cluster" box, you may select one of the 17 CTAE Career Clusters, or you may leave the default choice "ALL" in order to search for students in any of the Career Clusters. After making your selection, click "Search".

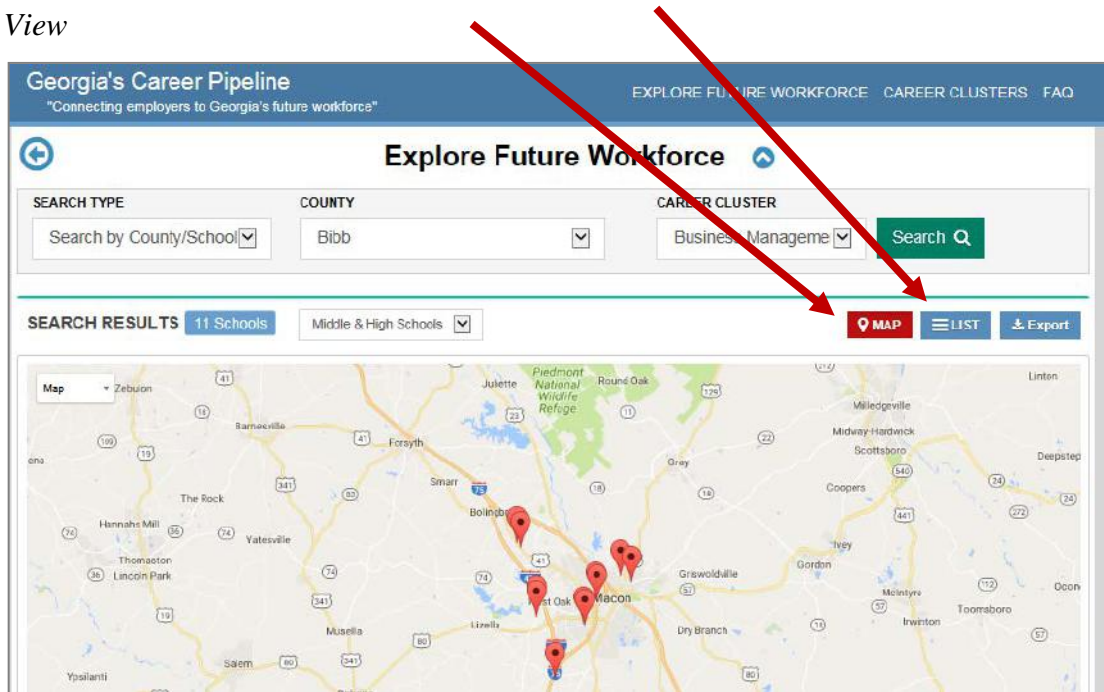

Below are the results of a Search by County for Bibb County and for the Business Management & Administration Career Cluster. The search will first display any schools in the selected county with students that have taken courses in the Career Cluster* that you selected. You may toggle between Map view and List view by clicking the “Map” button or the “List” button.

***Note about Career Cluster search:**

If you select “ALL” in the Career Cluster search box, the search will display all schools with students in any courses within any of the 17 Career Clusters. Selecting a specific Cluster will display only the schools with students in the selected Cluster.

Selecting a School

There are two methods for selecting a school from your search—Map view and List view. Once you select a school via either of these methods, the site will display detailed information about the school and its CTAE programs.

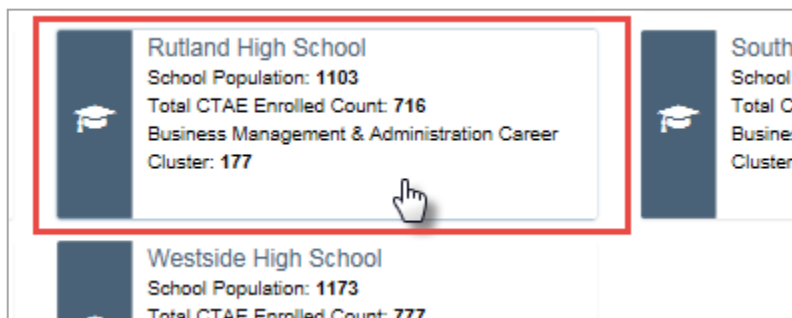

Map View

In Map view, you may click on the map marker  on the school that you would like to view. You will first see some information about the school, then you may click on the blue hyperlinked text “view details” to view more details about the school.

List View

In List view, you may click on the box containing the school for which you would like to view more details.

School Details

The selected school's details are displayed within six tabs. The tabs are *School Info*, *Contacts*, *CTAE Enrollment*, *CTSO*, *EOPA*, and *Post-Secondary*.

The screenshot displays the 'Explore Future Workforce' interface. At the top, there are search filters for 'SEARCH TYPE' (set to 'Search by County/School'), 'COUNTY' (set to 'Bibb'), and 'CAREER CLUSTER' (set to 'Business Management'). A 'Search' button is visible. Below the filters, it shows 'SEARCH RESULTS' for '11 Schools' and a filter for 'Middle & High Schools'. A 'MAP' button and a 'LIST' button are also present. The main content area is for 'RUTLAND HIGH SCHOOL'. A red box highlights the navigation tabs: 'SCHOOL INFO', 'CONTACTS', 'CTAE Enrollment', 'CTSO', 'EOPA', and 'POST-SECONDARY'. Below the tabs, there is an 'Export' button and the school's address: '6250 Skipper Rd, Macon, GA 31216-6104'. A table displays key statistics:

High School Type	1103 Student Population	716 Total CTAE Enrolled Count	177 Business Management & Administration Career Cluster	Bibb County School District
----------------------------	-----------------------------------	---	---	---------------------------------------

At the bottom, there are links for 'School Website' and 'District Website'.

School Info tab

Within the School Info tab is the school's address, the School Type (High school or Middle school), Student Population count, Total CTAE Enrolled count, CTAE Cluster count (this is only displayed if you selected a specific Career Cluster in your search), the County/School District Name, and a link to the School and District website (see picture above).

Contacts tab

The Contacts tab displays any contact information available for the District Superintendent, School Principal, CTAE Director, Work Based Learning Coordinator, and the Youth Apprenticeship Coordinator.

CTAE Enrollment

Within the CTAE Enrollment tab, you will find a list of all CTAE Career Pathways that fall under the Career Cluster that you selected in your search. Or, if you did not select a specific Cluster, it will display all Career Pathways in every Career Cluster that is offered at the school.

The screenshot shows the 'CTAE Enrollment' tab with the following data:

Course Name	2014-15	2015-16	2016-17
Business Management & Administration Career Cluster			
Business and Technology Pathway			
Introduction to Business and Technology	199	159	121
Business and Technology	0	1	1
Business Communications	0	0	0
Entrepreneurship Pathway			
Introduction to Business and Technology	199	159	121
Legal Environment of Business (BCS – LEB)	12	29	33
Entrepreneurship	0	0	25
Human Resources Management Pathway			
Introduction to Business and Technology	199	159	121
Legal Environment of Business (BCS – LEB)	12	29	33
Human Resources Principles	0	0	0

Callouts in the image point to: 'Career Cluster', 'Career Pathway (within the Cluster)', 'Courses within the Pathway', 'Count of students enrolled in each course during each school year', and 'Click here to export this data to an Excel file'.

CTSO tab

CTSO stands for Career and Technical Student Organizations. On this tab, you will see the names of each of the eight CTSOs, and the count of students reported as members of each CTSO at the school.

SCHOOL INFO CONTACTS CTAE Enrollment **CTSO** EOPA POST-SECONDARY

* The data displayed below reflects 2015-16 data.

Career and Technical Student Organizations (CTSO) are co-curricular organizations with leadership programs and competitive events that reflect current curriculum standards and competencies for the instructional programs they serve.

CTSO Membership Code	CTSO Membership Name	Total Students
CTI	Career Technical Instruction	37
DECA	DECA	28

<ul style="list-style-type: none"> Introduction to Business and Technology Legal Environment of Business (BCS – LEB) Entrepreneurship 	Fundamental Business Concepts – ASK Institute (SBDV06.0011)	0

Post-Secondary tab

The Post-Secondary tab, you will find a list of post-secondary institutions, including both private and public 2- and 4-year schools, that offer degrees and/or certificates in fields that are related to the Career Cluster that you selected in your search. If you did not select a specific Cluster in your search, this tab will display all post-secondary institutions that offer degrees in fields that are related to any of the 17 Career Clusters. You may elect to search for schools within up to a 30 mile radius from the school that you selected. You may also filter the search by College Type.

Career Clusters

Georgia's Career Clusters allow students to choose an area of interest in high school from the 17 Clusters. Each Cluster includes multiple career pathways. You may click on the Career Clusters button (or on the Career Clusters menu link), to view information about each of the Career Clusters and the Career Pathways and courses within each Cluster.

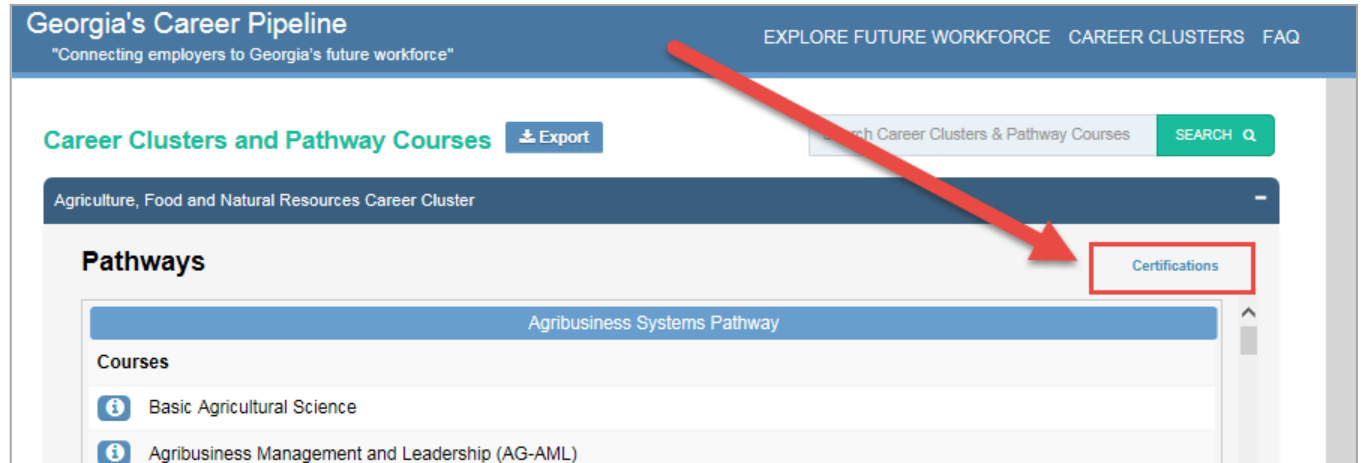

You will see a list of each of the 17 Career Clusters. Clicking on the “plus” sign for each Cluster will display a list of Career Pathways with the Cluster, and the courses within each pathway. You may click on the Info button  beside each course name for a description of the course.

Certifications

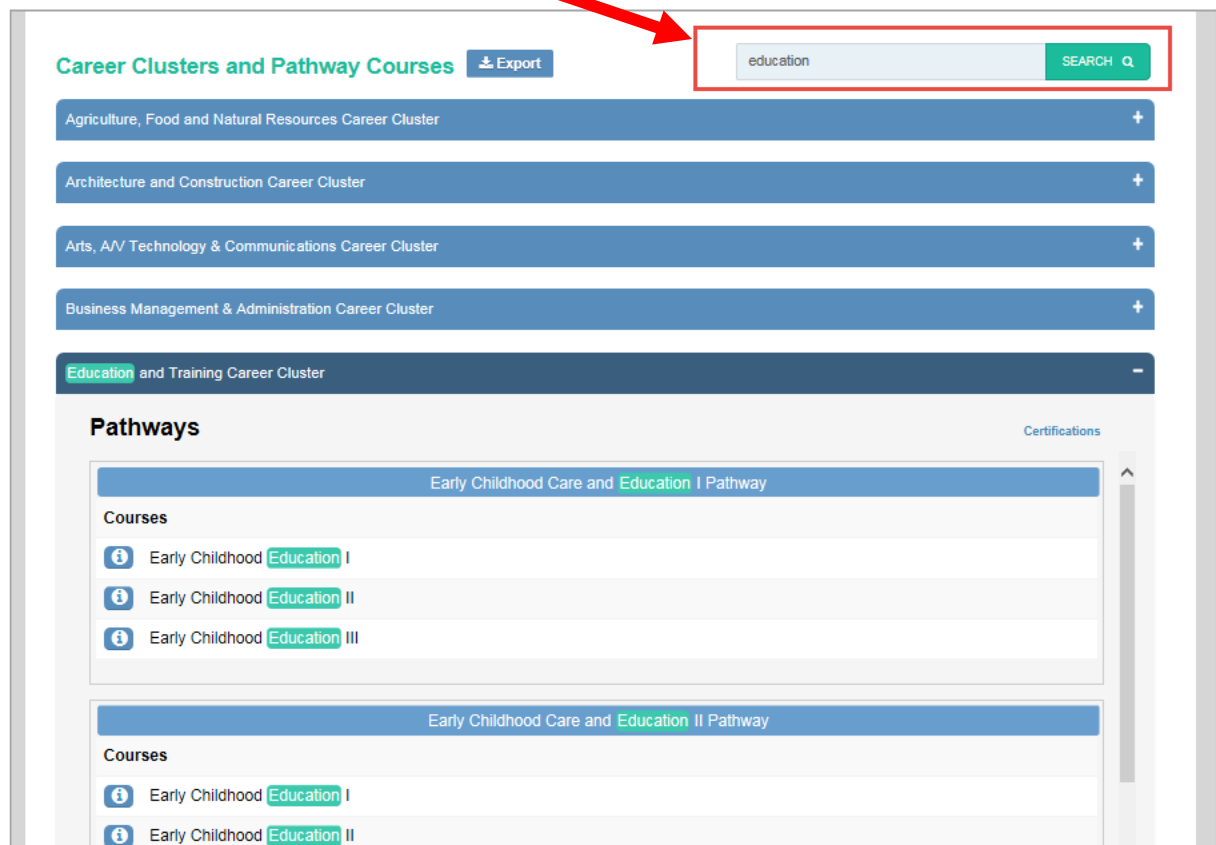

Clicking on the blue hyperlinked text “Certifications” that appears above the Pathways list will redirect you to the webpage on the Georgia CTAE website that contains information related to the certifications available to students in the pathway.

The screenshot shows the Georgia's Career Pipeline website interface. At the top, there is a navigation bar with the text "Georgia's Career Pipeline" and the tagline "Connecting employers to Georgia's future workforce". To the right of the navigation bar are links for "EXPLORE FUTURE WORKFORCE", "CAREER CLUSTERS", and "FAQ". Below the navigation bar is a search bar labeled "Search Career Clusters & Pathway Courses" with a "SEARCH" button. The main content area is titled "Career Clusters and Pathway Courses" and includes an "Export" button. The current cluster selected is "Agriculture, Food and Natural Resources Career Cluster". Underneath, there is a "Pathways" section for the "Agribusiness Systems Pathway". A list of courses is shown: "Basic Agricultural Science" and "Agribusiness Management and Leadership (AG-AML)". A red box highlights the "Certifications" link located above the pathway list, with a red arrow pointing to it from the text above.

Searching within the Career Clusters

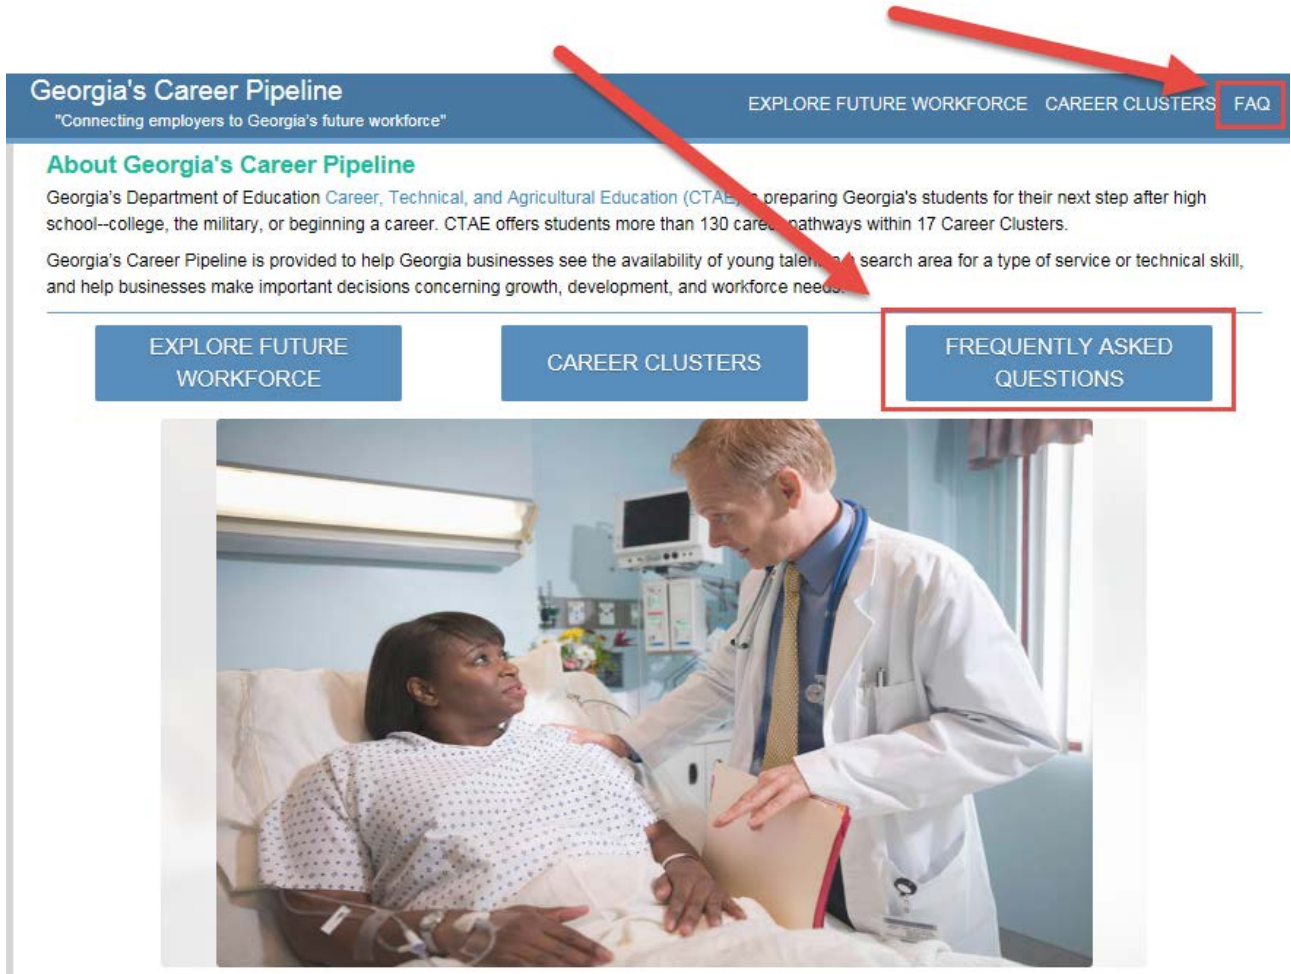

You may type a word or phrase into the Search bar at the top of the Career Clusters page to search within all of the Career Clusters.

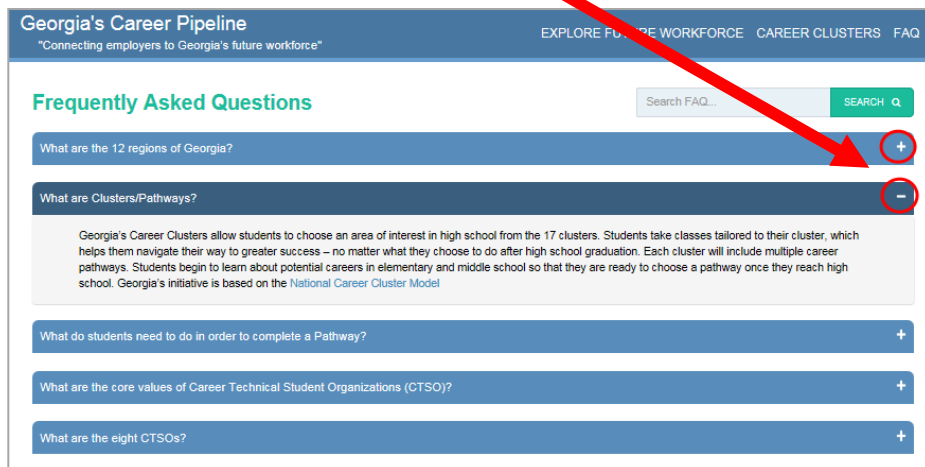

The screenshot shows the Georgia's Career Pipeline website interface with a search bar at the top. The search bar contains the word "education" and a "SEARCH" button. A red box highlights the search bar, and a red arrow points to it from the text above. Below the search bar, there is a list of career clusters: "Agriculture, Food and Natural Resources Career Cluster", "Architecture and Construction Career Cluster", "Arts, A/V Technology & Communications Career Cluster", "Business Management & Administration Career Cluster", and "Education and Training Career Cluster". The "Education and Training Career Cluster" is selected and expanded, showing a "Pathways" section. The pathways listed are "Early Childhood Care and Education I Pathway" and "Early Childhood Care and Education II Pathway". Each pathway has a list of courses: "Early Childhood Education I", "Early Childhood Education II", and "Early Childhood Education III". A "Certifications" link is visible in the top right corner of the pathway section.

Frequently Asked Questions (FAQ)

You may click on either the Frequently Asked Questions button or on the FAQ menu link at the top of the page, to view common questions about the information that is presented in this website.

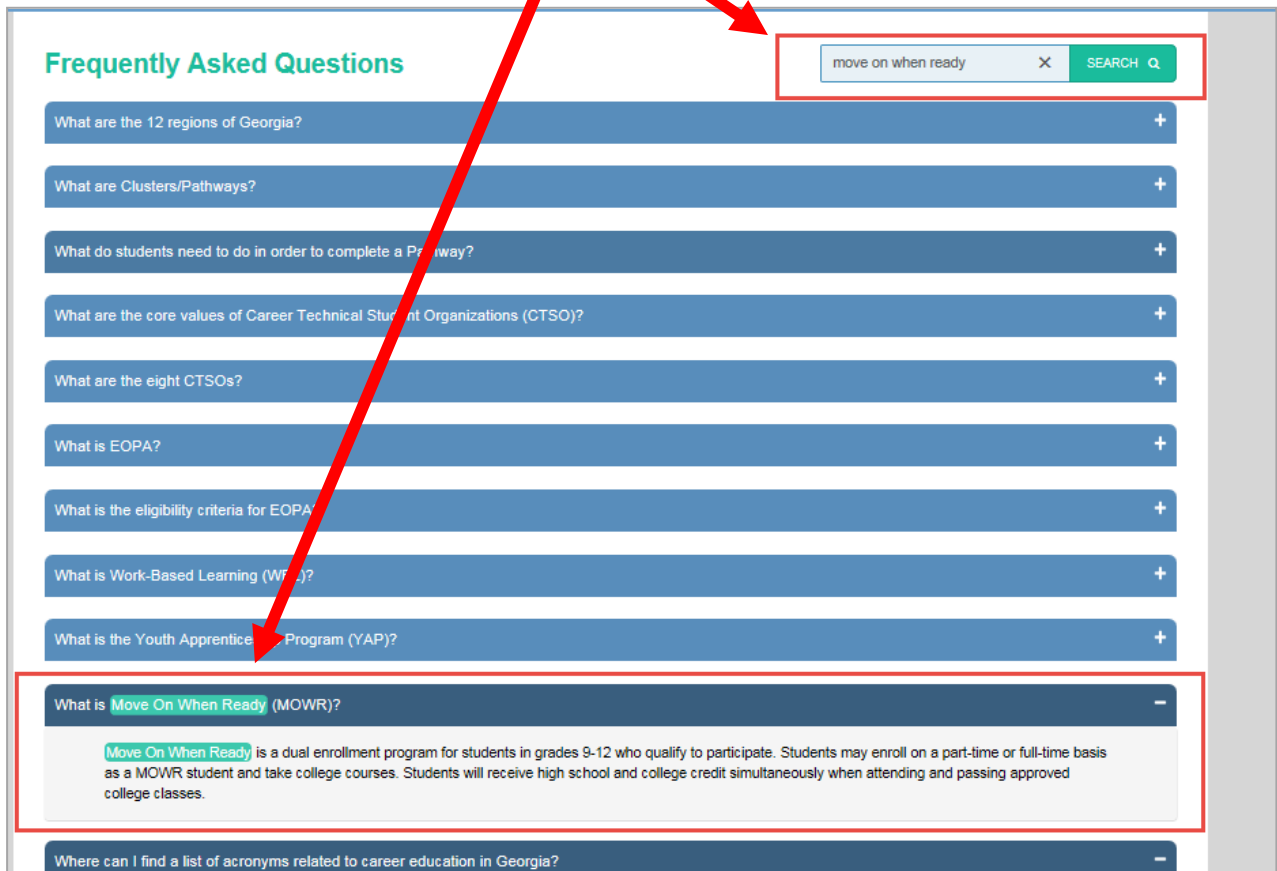

Clicking on the “plus” sign beside each question will display the answer to the question.

Searching within the FAQs

You may type a word or phrase into the Search bar at the top of the FAQ page to search within all of the questions listed on the page.

The screenshot shows the 'Frequently Asked Questions' section of a website. At the top right, there is a search bar containing the text 'move on when ready' and a green 'SEARCH' button with a magnifying glass icon. A red box highlights the search bar and button. Below the search bar is a list of questions, each in a blue bar with a plus sign on the right. The question 'What is Move On When Ready (MOWR)?' is highlighted with a red box, and its answer is displayed below it. A red arrow points from the search bar to the highlighted question. Another red arrow points from the text above to the search bar. The answer for 'Move On When Ready' is: 'Move On When Ready is a dual enrollment program for students in grades 9-12 who qualify to participate. Students may enroll on a part-time or full-time basis as a MOWR student and take college courses. Students will receive high school and college credit simultaneously when attending and passing approved college classes.'
